Re: *CAN Technologies v. Optima Besin*, 07-cv-09541

Dear Judge Baer:

On behalf of plaintiff CAN Technologies, Inc., we write to request a 30-day adjournment of the pretrial conference currently scheduled for August 7, 2008 at 3 p.m. to allow time for completion of service of process under the Hague Convention. On July 16 we were informed by the Turkish Central Authority that service had been attempted but was unsuccessful due to defendant's change of address. We were able to determine defendant's new address and resubmitted our Hague request to the Turkish Authority on July 29. We are in communication with the Turkish Authority and are hopeful that service will be effected within the additional 30-day period. We will undertake to advise the Court if service is effected sooner. Pursuant to Your Honor's Individual Rules, we enclose a current copy of the docket report for the case.

Respectfully,
